🎓 EDUCATION

Shandong University (SDU), Qingdao, China

2021 – Present

Undergraduate student in Computer Science and Technology (CS), expected March 2025

🔬 RESEARCH INTERESTS

- Federated Learning and Distributed Machine Learning
- Secure and Robust Algorithm Design

📌 MISCELLANEOUS

- **GPA:** 89.54
- **Languages:** IELTS: 6, CET6: 493
- **Member of Computer Elite Class:** Selected for a specialized program for top-performing students in Computer Science.
- **Research Assistant at Institute of Intelligent Computing:** Assisted in developing Intelligent computing theory and technology for future network system.

🏆 AWARDS AND HONORS

- Second Class Prize in CUMCM, Shandong Province, 2023.
- Second Class Academic Scholarship of Shandong University, 2022 and 2023.
- National Encouragement Scholarship of Shandong University, 2022 and 2023.
- Second Class Prize in CMC, Shandong Province, 2022.
- Second Class Prize in the CMS, Shandong Province, 2020.
